

## DAVID MARK FENTON

**ADDRESS:** PO Box 1057, Malanda, Queensland, 4885  
**MOBILE:** 0412 098514  
**EMAIL:** mark@ebc.net.au  
**DATE OF BIRTH:** 8th December, 1955; Morley, England.  
**MARITAL STATUS:** Married with three children.  
**CITIZENSHIP:** British, Permanent Resident Status in Australia

### EDUCATION:

**1980** BA (Hons) in Psychology (Class I), James Cook University of North Queensland  
**1981** PhD program commenced Department of Behavioural Sciences James Cook University of North Queensland. Awarded Commonwealth Postgraduate Award  
**1982** Six months overseas study as part of PhD program at the University of New Mexico, Department of Psychology and Department of Architecture and Planning  
**1986** PhD awarded Department of Behavioural Sciences, James Cook University of North Queensland

### WORK EXPERIENCE:

#### Curtin University

**1984-85** **Senior Tutor**  
Development and teaching of undergraduate research methods courses, a course in perception and environmental perception, and a fourth year graduate diploma course in environmental psychology. Supervision of student research projects at graduate diploma and honours levels.

**1986-87** **Lecturer (Limited Term Appointment)**  
Continued teaching first year research methods courses, a course in perception and environmental perception, and a fourth year graduate diploma course in environmental psychology. Supervision of student research projects at undergraduate and graduate levels.

**1988-90** **Lecturer (Tenured Appointment)**  
Continued developing and teaching previous courses. In addition developed and taught a graduate course in ergonomics and workplace design and a graduate course specialising in software psychology and human computer interaction. Supervision of student research projects in environmental and community psychology at honours, masters and PhD levels.

**1989-91** **Manager, Research Centre for Applied Psychology**  
This position required the co-ordination of multidisciplinary teams focusing on social research in relation to environmental, technological and

organisational issues. The position also required the administration and management of research, including contractual negotiations, project timetabling and budgeting. This position also required the development and coordination of grant applications to both government and industry and the management of research infrastructure funds.

**1991-93**

**Senior Lecturer**

Continued teaching both undergraduate and graduate courses in research methods, environmental perception and specific course components in organisational psychology (research methods, workplace design). In addition, increasing supervision was required of graduate students particularly at the honours and PhD level.

**1992**

**Half-Time Secondment to Human Resources at Curtin University**

This research secondment was undertaken to assess the leadership and training needs of academic and administrative staff at Cowan University, Curtin University, Murdoch University and the University of Western Australia. The project involved consultations with senior management and academic staff at the four universities and identified organisational barriers to effective leadership and the training needs of staff in leadership positions.

**James Cook University**

**1996-98**

**Lecturer (Part-Time)**

Supervision of graduate research in environment-behaviour studies. Teaching undergraduate courses in (a) survey research design in environmental studies, (b) urban and environmental planning and (c) social impact assessment and community involvement in planning.

**1999-02**

**Senior Lecturer (Part-Time)**

Supervision of graduate research in environment-behaviour studies. Teaching undergraduate courses in (a) survey research design in environmental studies, (b) urban and environmental planning and (c) social impact assessment and community involvement in planning and (d) environmental impact assessment.

**2002-05**

**Associate Professor (Part-Time)**

Supervision of graduate research in environment-behaviour studies. Teaching undergraduate courses in (a) survey research design in environmental studies, (b) urban and environmental planning and (c) social impact assessment and community involvement in planning and (d) environmental impact assessment.

**Centre for Reef Research**

**1998 - 2001**

**Chief Investigator**

Chief Investigator for a significant research program which investigated the social and economic impacts of changing fisheries policy on resource dependent communities. It included research on the commercial fishing industry, the harvest industry and the tourism charter industry.

**1999 - 2001**

**Task Leader for the Social and Economic Research Program**

Provide leadership, coordinate and promote social and economic research programs and tasks within the Centre for Reef Research.

## **Environment & Behaviour**

**1988-**

### **Director**

Environment & Behaviour is a specialised research consultancy which was established to undertake social research in urban and regional planning, architecture and community services. Research has been contracted from both private industry and government, and has included assessing community attitudes to development proposals, evaluating service delivery, community needs analysis, social indicators analysis and social impact assessments. Major research projects have included social assessments and social impact assessments for Australia's Regional Forest Agreement process, water reform dairy industry deregulation, fisheries and mining.

## **PROFESSIONAL INVOLVEMENT (Previous and Current)**

- Corporate Member, Royal Australian Planning Institute (MAPI)
- Member, Environmental Design and Research Association (EDRA).
- Member, People and the Physical Environment Research Organisation (PAPER).
- Member, Australian Institute of Urban Studies (AIUS)
- Member, Research Centre for Applied Psychology, Curtin University (WA).
- Member, Social and Economic Research Advisory Committee for the Great Barrier Reef Marine Park Authority, Townsville, Queensland.
- Member, Social and Economic Research Advisory Committee for the Social Impact Unit, Forest Assessment Branch, Department of Primary Industries and Energy, Canberra.
- Member, Scientific Reference Group, Cardwell/Hinchinbrook Regional Coastal Management Plan
- Expert Member, Advisory Committee, Understanding Rural Australia Program, Department of Primary Industries, Canberra.

## **EXPERT ADVISORY FUNCTIONS (Previous and Current)**

- Co-organiser of the People and the Physical Environment Research Organisation conference, Perth
- Expert witness on behalf of the State Planning Commission of Western Australia for the State Planning Appeals Tribunal
- Advisor to the National Trust of Australia (WA): Landscape and Conservation
- Advisor to the Centre for Urban Research, University of Western Australia
- Advisor to the Commonwealth Scientific Industrial Research Organisation (CSIRO), Division of Water Resources, Perth
- Advisor to Curtin University of Technology Counselling Service
- Advisor to Homeswest (State Housing Commission of Western Australia)
- Advisor to the Perth Zoological Gardens Board
- Expert witness in the Liquor Licensing Court of Western Australia (1988-present) As an expert witness in this legal jurisdiction, survey research is presented to the court in support of applications or objections made in relation to development proposals. As an expert witness a 'detailed' knowledge of survey research methods is required as is knowledge of the acceptability or otherwise of survey evidence within a legal context.
- Expert Panel Member. Social and Economic Research Committee. Great Barrier Reef Marine Park Authority.
- Board Member. Burdekin National Action Plan for Salinity and Water Quality.
- Expert Panel Member: Social and Economic Reference Panel for the Murray Darling basin Commission
- Expert Panel Member: Social and Economic Reference Panel for the National Oceans Office

- Expert Panel Member: Scientific Advisory Committee. Wet Tropics Management Authority, Cairns
- Member of the Social and Economic Projects Program Implementation Board (PIB). Queensland State Government.

## **RESEARCH INTERESTS**

- Development and application of theoretical approaches in psychology and sociology to social and environmental planning research.
- Spatial analysis of attitudinal and social indicators data through survey research and census data and its application and integration into existing geographic information systems.
- The development of methodology and theory in social impact assessments.
- Social and psychological issues underlying community participation in urban and regional planning.
- The importance of community identity and place attachment in community development and planning.
- Post occupancy evaluation research, housing needs and social infrastructure assessments.
- Evaluating community capacity for involvement in natural resource management.
- The development of indices and assessment procedures for resource dependent communities in rural Australia.

## **PhD SUPERVISION**

- 1988 Hills, A. Perception of animals amongst animal liberationists and hunters. (Completed)
- 1998 Seiji, N. Spearfishing on the Great Barrier Reef: Understanding Spearfishers' Behaviour, Motivations and Attitudes through the Multidimensional Specialisation Concept. (Completed)
- 1998 Young, M. Tourist Perceptions and Images of Cape Tribulation in North Queensland. (Completed)
- 1998 Pido, M. Evaluation of Resource Management in Small-scale Tropical Marine Fisheries: A Comparison of Marine Reserves/Parks in the Philippines and Australia. (Completed)
- 1998 Webb, T. The Meanings of World Heritage. (Completed)
- 1998 Newling, D. Organisational Change and Barriers to the Implementation of Environmental Management Systems. (Completed)
- 1998 McGregor, C. Assessing Indicators of Sustainability in Rural Communities in Northern Australia. (Completed)
- 2000 Dinsdale, E. Biophysical and Social Indicators of Coral Reef Health (Completed)
- 2001 Marshall, N. Community Dependency Indicators in Resource Development and Use.

## **SIGNIFICANT RESEARCH CONSULTANCIES**

- 1987 Public Attitudinal Survey of Perth Metropolitan Coastal Development
- 1988 A Study to Investigate the Barriers to the Use of Services in the Non-Government Community Welfare Sector
- 1988 Community Needs Assessment Survey on the Establishment of a Proposed Liquor Outlet at Beechboro
- 1988 Community Perceptions of Water Allocation and Supply in Western Australia
- 1989 Homeswest Client's Intentions to Participate in a Direct Debiting System
- 1989 Post Occupancy Evaluation of Woodside Offshore Petroleum Building at One Adelaide Terrace, Perth
- 1989 Identifying Community Shopping Patterns, Behaviours and Images of Shopping Centres.
- 1989 Community Needs Assessment for the City of Melville
- 1989 Attitudes of Landowners to the Subdivision of Land in Landsdale
- 1989 Attitudes of the Business Community Towards the Development of the Galvin Site in Northbridge
- 1990 Community and Social Infrastructure Planning for the Development of the Kogolup Subdivision
- 1990 Social Infrastructure and Social Impact Study of Homeswest Housing in North Fremantle
- 1990 The Definition of Commercial Catchments and Shopper Behaviour in Mirrabooka
- 1990 An Analysis of the Type and Volume of Pedestrians at Sites in Fremantle and Northbridge
- 1991 An Assessment of the Sport, Recreation and Leisure Needs in the City of Gosnells
- 1991 Perceptions of Residential Planning in the City of Melville
- 1991 The Impact of Small Lot Sizes on the Use of Parks and Wetland Settings in the Perth Metropolitan Region
- 1991 Social Impact of Sand Mining in the South West of W.A.
- 1991 A Post Occupancy Evaluation of Homeswest Housing in Bunbury, Western Australia
- 1992 The Training Needs of Academic and Administrative Leaders Across Four University Campuses in Western Australia
- 1992 The Needs of Young People in the City of Melville
- 1992 Community Centre Feasibility Study
- 1992 Community and Staff Perceptions of the Transperth Logo
- 1992 An Evaluation of Signs used by Charles Gairdner Hospital
- 1992 Skate Park Feasibility Study for the City of Wanneroo
- 1992 Fremantle Woolstores Social Infrastructure Study
- 1992 A Feasibility Study for a Respite Care Centre and Adventure Playground for Disabled and Non-Disabled Children in the City of Wanneroo
- 1992 Community Perceptions of the Redevelopment of the Fremantle Woolstores
- 1992 Attitudes Towards Land and Housing: A Proposed Residential Subdivision at Baldivis
- 1992 Housing Needs and Potential Tenant Characteristics of a Proposed Residential Development at 605 Wellington Street, Perth.
- 1992 Social Infrastructure Study for the Redevelopment of Homeswest Landholdings in Hamilton Hill.
- 1992 Community Centre Feasibility Study for South Thornlie
- 1993 Community Attitudes Towards Inner City Living

- 1993 Sport and Recreation Needs Analysis for the City of South Perth
- 1993 Community Attitudes Towards Residential Planning in the City of South Perth
- 1993 An evaluation of a household recycling program in the City of Fremantle
- 1993 Community Service Planning for the Town of Kwinana
- 1994 Social Indicators Analysis for the Town of Kwinana
- 1994 A Social Indicators Analysis for the Town of Kwinana
- 1996 Survey of Attitudes Towards Forestry Issues Amongst Residents of East Gippsland, Victoria
- 1996 Tourist Perceptions, Values and Attitudes towards the Great Barrier Reef Marine Park.
- 1996 Social Impact of Changes in Forest Policy in East Gippsland, Victoria
- 1996 Social Impact of Changes in Forest Policy on the Tasmanian Community
- 1996 An Assessment of Sport, Recreation, Health and Welfare Services in the Charters Towers and Dalrymple Shires, Queensland
- 1997 Social Impact of Changes in Forest Policy on Communities in the Central Highlands of Victoria.
- 1997 Social Impact of Changes in Forest Policy on Communities in the South West of Western Australia
- 1997 Social Impact of Changes in Forest Policy on Communities in the North East of Victoria.
- 1998 Social Impact of Changes in Forest Policy on Communities in South East Queensland.
- 1998 Marine Science and Technology: Skills Based Study
- 1998 Social Impact of Changes in Forest Policy on Communities in the Gippsland RFA, Victoria.
- 1998 Social Impact of Changes in Forest Policy on Communities in the Upper and Lower North East CRA Regions of NSW.
- 1998 Social Impacts of Commercial Fisheries on the Great Barrier Reef.
- 1998 Revaluing Rural Australia: Social Indicators Analysis
- 1999 Social Impact of Changes in Forest Policy on Communities in the West RFA, Victoria
- 1999 Community Attitudes towards Coal Mining in Muswellbrook
- 1999 The Application of TRC-Analysis to Water Resource Management in the Barron River and Logan Water Allocation Management Regions.
- 1999 Impacts of Resource Options on Forest Industries in South East Queensland
- 1999 Development of National Indicators of Capacity to Adopt Sustainable Practices for Australian Farmers.
- 1999 The Social Impacts of Dairy Industry Deregulation in the Bega Valley
- 2000 Social Impacts of Agricultural Extension Programs in Victoria.
- 2000 The Application of TRC-Analysis to Water Resource Management in the Burnett Allocation Management Regions.
- 2000 NSW Forestry Social Assessments
- 2001 Social Assessment of Queensland's Commercial Fishing Industry
- 2001 Social Assessment of the South East Trawl Industry
- 2001 Social Change and Agricultural Extension
- 2001 Assessment of the social and economic impacts associated with the proposed water sharing plan for the Kangaroo River and Wandella Creek Catchments in NSW.
- 2001 Community Attitudes Towards the Proposed Development of a Waste Transfer Facility at the Clyde Railway Yards, Grenville, NSW.

- 2002 Community Attitudes Towards Sand Extraction on the Kurnell Peninsula, NSW
- 2002 The Social and Economic Impacts of Proposed Fisheries Spawning Closures on the Great Barrier Reef Charter Fishing Industry.
- 2002 Brigalow Belt South Bioregion: Database Toolkit for Forest Industry Social and Economic Assessment
- 2002 Social and Economic Assessment of the Timber Industry in the Western Hardwoods Region of Queensland
- 2002 Burdekin Road Safety Audit Community Involvement Program
- 2002 Community Attitudes Towards Illawarra Coal, Environmental and Mining Issues
- 2003 Social Impact Assessment of the Proposed Replacement of the Kareeya to Innisfail High Voltage Transmission Line.
- 2003 Social Impact Assessment of the Proposed Middle Ridge to Millmerran High Voltage Transmission Line
- 2003 Social Impacts Associated with Increasing Environmental Flows Targeting the Murray Mouth and the Lower Murray River
- 2003 Development of a Framework for Social Impact Assessment in the Living Murray with Particular Reference to the Murray Irrigation Area of NSW
- 2003 Social Impacts of the Great Barrier Reef Marine Park Authority Proposed Representative Areas Program
- 2004 Social Impacts of the Kuranda Range Road upgrade in Cairns, North Queensland.
- 2004 An Investigation of Capacity and Capacity Building Requirements in Relation to Natural Resource Management in the Wet Tropics.
- 2004 Development of a Regional Strategic Plan for the ATSI Council Townsville Regional Council
- 2004 Framework Development: Indicators of Capacity, Performance and Change in Regional NRM Bodies
- 2004 A Monitoring and Evaluation Process for the Social Dimensions of the National Heritage Trust and the National Action Plan for Salinity and Water Quality
- 2004 Collie Health Impact Assessment Survey
- 2004 A Survey of Community Attitudes Towards the Proposed Kuranda Range Road Upgrade
- 2004 Development of a Conceptual and Applied Approach to Understanding Social Impact Assessments
- 2005 A survey of community attitudes towards the proposed Kuranda Range Road upgrade
- 2005 Burdekin Dry Tropics Traditional Owner natural/cultural resource management plan.
- 2005 A survey of community attitudes towards the Townsville Port Access project.
- 2005 Port Hedland community survey: A Spatial atlas of community attitudes.
- 2005 Community attitudes towards Illawarra Coal, environmental and mining issues.
- 2005 Newman (WA) community needs and social infrastructure survey.
- 2005 Survey of private native forest industry to assess the economic impact of the code of practice.
- 2005 Guidebook on social impact assessment.
- 2005 Influencing transport outcomes through home location choice in Townsville: A pilot community based social marketing program.
- 2005 Refining indicators for monitoring and evaluating the social and institutional foundations of regional NRM programs.
- 2006 An evaluation of the National NRM Facilitator Network.
- 2006 An evaluation and the social and institutional foundations of NRM

- 2006 Influencing transport outcomes through home location choice in Mackay: A pilot community based social marketing program.
- 2006 North Central CMA Landcare support review
- 2006 Stakeholder beliefs about climate change in the Great Barrier Reef Catchment
- 2007 Social benchmarking in the Central West CMA (NSW)
- 2007 An evaluation of the North Central CMA drought recovery package
- 2007 A review of implementation committees and community engagement in the North Central CMA, Victoria
- 2007 Monitoring economic and social changes in NSW water sharing plan areas
- 2008 An evaluation of the CSIRO 'partnerships and understanding towards targeted implementation (Central West CMA)
- 2008 An evaluation of Far North Queensland Plan options
- 2008 A national baseline of the social and institutional foundations of NRM programs
- 2008 Southern Rivers CMA (NSW) NRM social benchmarking project
- 2008 Identifying and describing the social assets of the NRM system
- 2008 An evaluation of the Queensland Indigenous NRM network coordinator project and Cairns Solution Broker.
- 2008 An evaluation of the NRM State-wide Indigenous Network Coordinator (SINC) position.
- 2008 Landholder attitudes to wild dogs in western Queensland
- 2008 An evaluation of Round 5 NRM Investment funding for the Central West CMA
- 2009 Cradle Coast NRM social benchmarking project
- 2009 Social and economic impact assessment of the proposed James Price Point LNG precinct for the WA Department of State Development (Broome)
- 2009 Western CMA social NRM benchmarking project
- 2010 Monitoring NRM issues amongst landholders in the Border Rivers Gwydir CMA region.
- 2010 Social and economic impact assessment of Woodside's proposed LNG project at James Price Point
- 2010 Social monitoring of NRM issues amongst landholders in the Central West CMA, NSW
- 2011 Social and economic impact assessment of the Murray Darling Basin Authority's Basin Plan
- 2013 Social benchmarking for the Southern Rivers Catchment Management Authority Basin Plan
- 2013 Social benchmarking for the South West Catchments Council (WA)
- 2013 Monitoring economic and social changes in water sharing plan areas in NSW
- 2014 Catchment action plan and landholder benchmarking for Western Local Land Services in NSW
- 2015 Attitudes to land management and climate change in the North West Local Land Services region
- 2016 Landholder benchmarking and multivariate analysis for Western Local Land Services,

## CONSULTANCIES TO INDUSTRY AND GOVERNMENT

Consultancies have been undertaken for the following private and public sector organisations:

- AECOM (Queensland)
- Agforce (Queensland)
- Agriculture, Forestry & Fisheries Australia (Commonwealth)
- Alvis Holdings
- Baroque Holdings Pty. Ltd.
- BDA Group.
- Bega Valley Water Management Committee
- BHPBilliton
- Border Rivers-Gwydir CMA
- Brookes Laughton: Marketing Intelligence
- Burdekin Dry Tropics Board
- Bureau of Rural Sciences (Commonwealth)
- Cabaret Owners Association of WA
- CARE Pty Ltd
- Carmen Developments Pty Ltd
- Carpentaria Land Council Aboriginal Corporation
- Central West CMA (NSW)
- Chalmers and Partners
- Chamber of Mineral and Energy (WA)
- Charters Towers Community Welfare Association
